PART 1. COMPANY'S PROFILE

# About MBSS

- PT Mitrahahtera Segara Sejati Tbk (MBSS) is a leading Indonesian provider of integrated one-stop sea logistics and transportation solutions for bulk materials, particularly coal. With more than 25 years of experience in the business, MBSS has earned a reputation for high quality, reliable service. Our customers consist of first and second-tier coal producers, as well as end users.
- MBSS was founded in Jakarta, Indonesia in 1994 as a shipping company. Over time, we expanded our facilities, fleet and overall services to become a premier provider capable of consistently meeting client requirements. In 2011, MBSS successfully listed on the Jakarta Stock Exchange (now the Indonesia Stock Exchange). In the same year, MBSS also became a member of the Indika Energy group.
- Applying international operating standards and industry best practices to ensure efficient and reliable service for customers, MBSS is committed to sustainable growth and excellence through strategic decision making and operations.

## Integrated Solutions

### Material Handling

- Material handling and management and operation of on-shore facilities.
- The operations in this stage cover: crushing, screening, quality control, stockpile management and conveyor system operation.

### Barging

- Transport from loading port to unloading port (direct barging).
- Transport from loading port to anchorage point for transshipment.

### Transshipment

- Transfer of coal from barge to mother vessel, which can be executed by using geared vessel or intermediate facilities such as floating crane.
